

Calais to Avallon

From the docks at Calais take the D943 it's west of Junction 47 on the A16. Continue on the D943 direction Ardres/ St Omer. It becomes the D942 around St Omer then returns to the D943 direction Lillers, @ Lillers right turn direction A26 junction 5. Head south to junction 11 @ St Quentin take the D1 direction Soissons, there is a bypass using the D304 and N2. I usually go through the town and either find a coffee stop or continue finding my way out of the town, and re-join the D1 direction Courmelles Oulchy-le Chateau to Chateau Thierrey. Again, it's possible to by-pass the town it's worth going through as it is an interesting town, also coffee stops, it's France park on the pavement usually permissible. Continue on the D1 direction Montmirail left turn D933 right turn D373 direction Le Gault-Soigny @ Maclaunay right turn D375 direction Morsains left turn D48 direction Champguyon Haut / Esternay continue on D48 direction Bethon and Romilly-sur-Seine join the D619 direction Troyes at Troyes right turn D610 direction Breviandes Bucheres D671 right turn D4444a D444 dir Les Bordes-Aumont Chaource Vallieres, continue direction Tonnerre where it becomes the D965 and then reverts to D944 continue D944 direction St Vertu Nitry Avallon.
